109. RESOURCE MATERIALS

- .1 The Board shall provide instructional and evaluative materials to implement the district and school educational goals and objectives.
- .2 Such materials shall include reference books, other supplementary titles, maps, library books, software and all other instructional materials.
- .3 The Superintendent, after consultation with the Director of Curriculum and Instruction and professional staff, shall be responsible for the selection, recommendation and maintenance of all resource materials. No change of materials shall be made without his/her recommendation.
- .4 He/She shall develop selection procedures which:
 - .41 insure that the Board’s budgetary allotment for resource materials is spent efficiently and distributed effectively throughout the instruction program,
 - .42 insure an inventory of resource materials that is well-rounded in coverage of subject, types of materials and variety of content,
 - .43 evaluate the effectiveness of resource materials presently in use, and
 - .44 direct the Director of Curriculum and Instruction to consult a variety of media sources before selections are made.
