122. CO-CURRICULAR ACTIVITIES

- .1 The Board believes that the goals and objectives of this district are best achieved by a diversity of learning experiences, some of which are more appropriately conducted outside the regular classroom curricular program of the school.

- .2 For purposes of this policy, “co-curricular activities” shall be those activities, which are sponsored, or approved, by the Board, but are not offered for credit toward graduation. Such activities shall ordinarily be:
 - .21 conducted wholly or partly outside the regular school day, and
 - .22 available to all students who voluntarily elect to participate.

- .3 The Board shall make school facilities, supplies and equipment available, and approve staff members for the support of a program of co-curricular activities.

- .4 Any co-curricular activity shall be considered to be under the sponsorship of this Board when the Board on recommendation of the Superintendent has approved it.

- .5 The Board may maintain a program of co-curricular activities at no cost to participating students, or students may be required to assume all or part of the costs of the activity.
