## NO NAME CALLING WEEK

JAN. 21—24

Memorial Elementary will be participating in No Name-Calling Week during the week of January 21-24. No Name-Calling Week seeks to focus national attention on the problem of name-calling in schools, and to provide students and educators with the tools and inspiration to launch an ongoing dialogue about ways to eliminate name-calling in their communities.

At Memorial, we recognize the importance of building empathy and teaching respect to our students, and note the impact words can have on their well-being. During the week, students will be encouraged to be kind to others, say nice things to others, and respect others. We hope that No Name-Calling Week will help all students consider the weight of the words they use, and keep school a safe, and healthy place for all.

We encourage your participation in No Name-Calling Week and helping us put an end to name-calling.

## DELAYS AND CLOSINGS

**SCHOOL DELAYS AND CLOSINGS:** In the event of inclement weather or other emergencies, it may be necessary to change the school day schedule. A phone call will be placed to parents using the "One Call" system. "One Call" sign up forms are in the office and need to be updated separately from the biographical data system. In addition to this, parents are encouraged to check local listings (TV and radio) on a regular basis for school delays and closings. Information is also available on the Memorial Elementary Facebook page.

**DELAYED OPENING:** A delayed opening means that schools open either one, two, or three hours later than scheduled. In the event of a one-hour delay, school doors will open at 9:15 a.m. The 6 buses will come to your child's stop one hour later than normal. In the event of a twohour delay, school doors will open at 10:15 a.m. The buses will come to your child's stop two hours later than normal. In the event of a three-hour delay, school doors will open at 11:15am. The buses will come to your child's stop three hours later than normal. Staff will not be available to supervise children before the times listed above. Breakfast will not be provided when the school is operating on a delayed opening.

**EARLY DISMISSAL:** Early dismissal times will be announced using the One-Call system and local television and radio stations. Please make sure transportation information is up to date with the office in the event of an early dismissal. All buses operate on that same early schedule. When elementary schools close early due to the weather, all after school programs and evening events are cancelled.

## THANK YOU

To all at Bloomsburg Memorial Elementary:

Thank you very much for your donation of \$231.00 for the Panther Pack program. We appreciate your monetary help in feeding the elementary children in our school district. We also appreciate your making it happen in your building by getting the bags to the rooms and then to the students. We, of course, wish as you do that no child needed weekend food. We will continue to work together until that happens. On behalf of all our volunteers — Martha Sheehe, Food Cupboard Coordinator.
