PENNIES FOR PATIENTS

3/16—3/20

This is our 3rd year that the 4th grade will be organizing and running the Pennies for Patients campaign. All the money we raise will be going to the Leukemia and Lymphoma Society to help fund groundbreaking research, provide support services for families that are impacted by blood cancers, and more. Last year we well surpassed our goal and this year we plan to do the same. During the week of March 16—20 we will hold themed days to encourage all to participate. This year there is a special incentive to donate online! Go to www.penniesforpatients.org and find your classroom teacher. Together, we can make a difference!
