## **FREE LUNCH AND NEXT DAY'S BREAKFAST PROGRAM / PANTHER PACKS**

Our **Free Lunch & Next Day's Breakfast Program** continues to operate at Memorial Elementary School from 11:30am-12:30pm from Monday through Friday. Anyone under the age of 18 can receive a free meal and next day's breakfast via takeout. There is no need to register for this service. Delivery is available twice a week for those within BASD who are unable to pick up meals.

In addition to the meal program, we continue to provide **Panther Packs** to students in need. These packs, which include a few items for the weekend, are made available through the generosity of the Bloomsburg Food Cupboard. Like the meals, they are available for delivery.

Please contact Josh Tabor, [jtabor@bloomsd.k12.pa.us](mailto:jtabor@bloomsd.k12.pa.us) or 570.784.3167, ext. 2003 for more information regarding meal and/or Panther Pack delivery.

## **TECHNOLOGY RESOURCES**

While our students in grades 6-12 have school-issued devices, our Little Panthers may be in need of technology in order to complete the enrichment and review provided by our teachers. Technology distribution began on April 3 for those families who shared the need during our initial phone calls to all families in March. Since then, more than 150 devices have been deployed through pick-up and delivery to our families.

Please contact Kim Honabach, [khonabach@bloomsd.k12.pa.us](mailto:khonabach@bloomsd.k12.pa.us) or 570.784.7885, ext. 1212 for more information regarding technology loans for students in grades K-5.

Technology help is also available on a daily basis at the Secondary Complex from 9:00am-1:00pm for those experiencing difficulty with their devices.

Please contact Frank Barren, [fbarren@bloomsd.k12.pa.us](mailto:fbarren@bloomsd.k12.pa.us) for more information regarding this service.

## THANK YOU SECV

Thanks to Service Electric Cablevision (SECV), our students and their families have access to low-cost Internet Access. Please find information from SECV below:

*With students at home now in an eLearning environment, Service Electric Cablevision (SECV) will offer 90 days free Internet service to students and teachers who do not already subscribe to SECV Internet. This offer includes the 40M x 4M tier of Internet service, along with a free cable modem rental. It applies only to new customers that have not subscribed to SECV Internet service within the last sixty (60) days and other restrictions may apply. Self-installation is required with the assistance of a technician outside the residence to ensure the safety of our employees. All new customers must provide written proof of their child's current enrollment at a local school in SECV's service area. All teachers must reside in SECV's service area and provide evidence of current employment status. For more information or to enroll in the eLearning offer, please have students or teachers call us at 877.955.7328.*

Please contact Melissa Day  
mday@bloomsd.k12.pa.us  
or 570.784.5000, ext. 4434 if  
you need enrollment verification to take part in this service.
