November 2019

WEATHER DELAYS AND CLOSINGS

It is that time of year again when schools will occasionally experience delays and cancellations. Stay informed and up-to-date by checking school websites, Facebook pages, and local news stations such as WNEP and WBRE.

Additionally, please remember that students may be going outside for recess if temperatures are above 30 degrees. Please dress children in weather appropriate clothing. Safety patrols will be outside in temperatures down to 20 degrees. *It is recommended that you write your child's name in coats, hats, and gloves.*

October was full of Excitement, Education, and Fun. Field Trips, Red Ribbon Week, and a Halloween Parade around the new High School Field!! November brings us the Veteran's Parade, Girls Basketball, Continued Girls on the Run, STEM Camp, and More!

KEEPING YOUR RECORDS CURRENT

We realize that technology has aided all of us with communication. Many of us have replaced home phones with cell phones and look to social media for information. That said, the importance of keeping contact information and records updated at the school office is vital, not only for the school itself, but for the safety of your child. Phone numbers and addresses on file at the school are used in the event of an emergency, if contact is needed due to a sick child, and even at the state level for accurate educational record keeping. We know how often contact information can change and we are sometimes unable the appropriate people due to incorrect and/or outdated contact information. Some of the information that we are respectfully asking that you keep current are:

- **Phone numbers** (primary, as well as emergency contacts)
- **Addresses** (change in address requires new proof of residency- forms are available online or at the school office)
- **OneCall** number information (separate form required)
