Date Last Revised: June 17, 2002

117. HOMEBOUND INSTRUCTION

- .1 The Board shall provide, pursuant to rules of the State Board of Education, individual instruction to students confined to home or hospital for physical disability, illness or injury; or when such confinement is recommended for psychological or psychiatric reasons.
- .2 Applications for individual instruction shall:
 - .21 certify the nature of the illness or disability
 - .22 state the probable duration of the confinement, and
 - .23 must be approved by the Superintendent.
- .3 The Superintendent will forward such recommendation for individual instruction to the Board for approval. The Superintendent may grant such recommended requests for individual instruction and report each to the Board at its next regular meeting.
- .4 The Board will provide individual instruction only for those confinements expected to last at least twenty (20) school days. Such exceptions may be made as the Superintendent deems advisable and so recommends.
- .5 The program of individual instruction given each student shall be in accordance with the standards established by the Secretary of Education.
- .6 The board reserves the right to withhold individual instruction when:
 - .61 the instructor’s presence in the place of a student’s confinement presents a hazard to the health of the teacher, or

.62 a parent or other adult in authority is not at home with the student during the hours of instruction.
