205. POSTGRADUATE STUDENTS

- .1 The Board of School Directors will consider the extension of the privilege of postgraduate study in the regular educational program to high school graduates residing in this district upon proper application, and the satisfaction of the following conditions.
 - .11 The specific objective of the candidate is dependent upon the completion of certain courses offered at the high school.
 - .12 The past scholastic and behavioral conduct of the candidate is such as to predict success in the selected postgraduate courses.
 - .13 The needs of undergraduate students regularly enrolled in the school are met, and classroom space and instructional staff are available.
- .2 The Superintendent, or designee, may admit qualified students to postgraduate study, and shall inform the Board of such admissions.
- .3 The continued attendance of each admitted postgraduate student shall be contingent upon the maintenance of a satisfactory academic performance, regular attendance and a record of good conduct.
- .4 The Board will not assume responsibility for the transportation of students pursuing postgraduate studies.
