**912. RELATIONS WITH EDUCATIONAL INSTITUTIONS**

- .1     It is the policy of the Board that strong lines of communication be maintained by the district with other districts and institutions which provide programs, training, or services not otherwise available to children residing in this district.
  
- .2     The district in which pupils are in attendance has responsibility and authority for said pupils. In order that those pupils receive maximum benefit from their program of studies, articulation between the cooperating institutions is essential.
  
- .3     In order to maintain cordial and constructive relationships with other educational institutions, the district shall cooperate within these guidelines.
  - .31    With parochial and private schools
    - .311   establish appropriate pupil accounting procedures to satisfy district and state requirements in the areas of enrollment, attendance, transportation and other special services.
    - .312   maintain liaison with the administrators of all private and parochial schools which enroll significant numbers of pupils resident in this district in order to be aware of any program changes that may be planned which could affect this district.
  
  - .32    With institutions of higher education
    - .321   welcome representatives of institutions of higher education who wish to speak to students interested in attending their institution upon completion of secondary education.

- .322 cooperate with state institutions in the placement and evaluation of practice teachers in accordance with Board policy on student teachers.
- .323 honor requests for transcripts and other records in accordance with the Board's policy on pupil records.
