

Focus - Parent Portal Access Instructions

Hello Panther Families!

We are excited to introduce you to our new parent portal through Focus. The portal will give you access to your student's grades, attendance, and other information you may need to track your Panther's progress. We also have an application that you can download to your phone so that you can have access at any time!

Below you find directions that will help you enter the portal whether you had an account with Vision or are new to the Parent Portal.

Follow these instructions to log into your parent portal for access to your child(ren)'s school information.

If you had a Login for the Vision Portal (the old parent portal) the username for you will be the same. The password is panthers

If you did not have a Login for the Vision Portal your username will be a combination of the Primary Contact's first and

last name. For example, if the name is Tom Smith the username will be TomSmith , the password will also be panthers Once you have a parent login, Go to this website:

<https://blasd.focusschoolsoftware.com/focus/index.php>

Login using your parent portal credentials.

You will then be taken to the Parent Portal
