**102. EDUCATIONAL GOALS**

- .1     The Board recognizes that education is a vital function of the state and community. The community should be encouraged to participate in the establishment of the educational goals established for this school district.
  
- .2     In establishing educational goals for the district, the Board will consider suggestions by:
  - .21    representatives of the community
  - .22    students
  - .23    parents
  - .24    district personnel
  - .25    members of the Board
  
- .3     As a basis for its educational program, the Board of School Directors of the Bloomsburg Area School District adopts the current Pennsylvania State Board of Education Public School Code of 1949, 22 PA. Code, Chapter 4 Academic Standards and Assessment as amended.
