525. DRESS AND GROOMING

- .1 Employees set an example in dress and grooming for students and the community at large. Compliance with reasonable standards for dress and grooming has a positive effect upon the district's operation and programs.
- .2 The Board has the authority to specify reasonable dress and grooming guidelines for staff, within law, that will prevent such matters from having an adverse impact on the educational process. All employees shall, when assigned to district duty:
 - .21 be physically clean, neat and well groomed,
 - .22 dress in a matter consistent with the needs of the job to be performed,
 - .23 dress in a fashion that is commonly accepted in this community,
 - .24 utilize safety gear and work uniforms provided by the district.
