### **Welcome To Chorus**

Greetings! Join me on a wonderful musical adventure this year! You will need to bring your voice, your enthusiasm, your respect, your intellect, your musicianship, your focus and your sense of adventure. We will have a fantastic year!

My expectations of the group are simple. During each rehearsal, do your best to work diligently, respect others, do your best to learn your music, and smile through each challenging rehearsal and concert.

### **Grading Policy**

Your grade for each marking period will be based on the following:

- Ensemble Presentation including posture, professionalism, cooperation, punctuality, preparation, concert dress, audience etiquette, musical excellence.
- Assessment (written and performance) which is not limited to but may include; concert performances, assessments, rehearsal work ethic, professionalism, journal articles, concert or listening evaluations, sight-reading.
- The grading scale to be used will be as appears in the student handbook.
- I will be at the high school teaching periods 1-4. Hopefully, one day of the cycle I will be at the high school.
- Attendance at concerts is mandatory.
- Daily attendance is worth 5 points if on time, 3 points if late. Points will be deducted if distracting behaviors or attitudes are prevalent.

### **Homework Policy**

The students are responsible for finding out what they have missed in class. It is not the responsibility of the teacher. All assignments will be posted in the 2022-23 Chorus Google Classroom so sign up using the code:
