August 2015

Dear BASD Parent/Guardian:

In an effort to enhance communication, the Bloomsburg Area School District uses an automated calling system to notify parents of important school-related events, such as school delays, early dismissals, closings, attendance, and bus delays. This system, called MMS OneCall, was installed in Fall 2010. Through OneCall, we are able to automatically call all parents in the district within a period of five minutes. Each student may have up to two contact phone numbers and one e-mail address listed for OneCall.

As the parent/guardian of a new BASD student, we are asking that you please complete the information below and return it to your school's office at your earliest convenience. The information you provide will be entered into our OneCall system and used to contact you when the situation arises. Thank you for your help and cooperation with this!

Sincerely,

[Signature]

Cosmas C. Curry
Superintendent
