1	Admin Bldg Lighting Upgrades	LED lighting
2	Admin Building Envelope Upgrades	Building envelope upgrades
3	Beaver-Main Lighting Upgrades	LED lighting
4	Beaver-Main Building Envelope Upgrades	Building envelope upgrades
5	Memorial Building Envelope Upgrades	Building envelope upgrades
6	Memorial Lighting Upgrades	LED lighting
7	WW Evans Building Envelope Upgrades	Building envelope upgrades
8	WW Evans Lighting Upgrades	LED lighting
Project		Description: Add Alternate Items to Address Aging Systems and Infrastructure - Proposed Summer 2018
1	HS Paging System Upgrade	10-year-old system - Upgrade/replace IP Sift speakers through classrooms and cafeteria.
2	MS Paging System Upgrade	10-year-old system - Upgrade/replace IP Sift speakers through classrooms and cafeteria.
3	MS Fire Alarm Front End	Migrate fire alarm system to Siemens Disego front end.
4	HS Fire Alarm Front End	Migrate fire alarm system to Siemens Disego front end.
5	MS Bell and Clock Upgrades	Clocks not tied to bells. MS bell doesn't ring in cafeteria. Install new system - tie to Siemens Disego system, unless there is an alternative low bidder.
6	HS Bell and Clock Upgrades	Further investigation needs to be conducted.
7	WW Evans Flooring Upgrades	Floor tiles keep popping. Would like to refinish floor to have a stamped concrete look with a paw print embedded.
Project		Description: Security Items- Proposed Summer 2018
1	Admin Building Door Fob Upgrade	Install new Siemens door fob at back entrance and incorporate fob into Disego Front End.
2	Beaver-Main Door Fob Upgrade	Install new Siemens door fob at main entrance of and incorporate fob into Dlesego Front End.
