

Health and Safety Plan Update – September 20, 2021

September 20, 2021: Between September 13 and September 19, 2021 we have the following Covid-19 positive tests and quarantines:

Secondary Complex: We had five positive Covid-19 cases at the secondary complex. We had 16 individuals in quarantine through contact tracing.

Elementary Buildings: We had five positive Covid-19 cases at our three elementary buildings. We had a total of twenty-seven students in quarantine through contact tracing. Eighteen of these twenty-seven cases we are direct result of in-school contact tracing.

We also had 13 elementary students in health room quarantine due to displaying some combination of potential symptoms.
